Dear Mr Dawson

### TO WHOM IT MAY CONCERN

The Koomurri Dance Troupe accepted an invitation from the organisers of the ceremony to launch the Indigenous Education Policy for Queensland Anglican schools on Wednesday, 10 February, 1999.

The ceremony was a wonderful blend of Aboriginal and Torres Strait Islander cultures with the Anglican culture as expressed through the Anglican Eucharist. The participation of the Koomurri Dance Troupe was a significant part of the ceremony.

We are most grateful to the dancers for their most professional performance of a very moving dance sequence which provided a special dimension to the ceremony. We would have no hesitation in recommending the Koomurri Dance Troupe to anyone thinking of engaging their services.

Yours sincerely
