Re: Russell Dawson

Russell Dawson visited Kurwongbah State School on 9 July 1998 as manager of the Koormurri Dance Group for our special celebration day during NAIDOC Week.

He was responsible for the overall management of this Dance Group, organising a range of activities for the students at Kurwongbah. The School Program is attached.

The day was a very successful one with over 600 students participating in a range of activities on the day.

Russell was also responsible for the organization and preparation of the Bush Tucker Lunch which was able to feed all 600 students and also the parents who were in attendance. He also led a workshop with students on aboriginal artefacts.

I am sure Russell's organization and involvement with various activities etc with the Koormurri Dance Group, not only on this day but also prior to this day, ensured the success of this program.
