Koomurri Management
PO Box 626
Kingsgrove NSW 2218

Dear Koomurri Management

I am writing to thank you for the marvellous performance provided to us at our recent event in November 2006.

Russell and Turtle provided a riveting and entertaining performance that our guests are still talking about! The costumes, dance and music came together in a rich and authentic display that satisfied our requirement for a genuine aboriginal experience. Russell and Turtle read our audience perfectly and added their own brand of humour and wit to create a truly memorable event for our guests.

I want also to comment on how much of a delight it was to work with Koomurri in the lead up to our event. Connie and Russell were both very helpful, listening closely to our requirements and responding with a tailored performance.

I will certainly be keeping your details on file and would be delighted to work with Koomurri Management again.

Yours truly,

Nicholas Haskins
