RUSSELL DAWSON AND THE KOOMURRI DANCERS

130 Sanderling Street  
INALA QLD 4077

The staff and students of St. James Prac. enjoyed, appreciated and valued the Aboriginal cultural presentation of Russell Dawson and the Koomurri Dancers during our N.A.D.O.C. week celebrations in 1998.

Their performances was both entertaining and educative in nature. Russell led the song and dance segment extremely well which included the audience with some of their presentations.

The highlight of their presentation was the preparation and serving of the "cuppa murrie" which allowed almost all of the 500 student body and staff members to experience eating a variety of meats and vegetables that were prepared under the ground.

The day was a great success and we highly recommend Russell Dawson and the Koomurri dancers for their enthusiasm, artistic display and professionalism.

Yours sincerely
